

**GREEN
FACT!**

Canada recycles about 27%
of its waste today.

Kids **PAVILION**™ 66 GALLON

CHANGING THE LANDSCAPE OF COLLECTION!

The Kids Pavilion is a compact triple-stream station designed for K-12 Schools! Openings are textured to avoid scratches and are interchangeable to evolve with your program, while avoiding high container replacement costs. The Kids Pavilion comes standard with bright colors and newly designed characters called The Binnovators to engage young minds about recycling.

FEATURES:

- Highly-durable rotational mold
- Comes Standard with Binnovators Signage and Labels
- Front-door access with built-in-lock (keyed alike)
- Each order comes with Binnovators story book!

Minimum order may be required for some features, inquire for more information.
