

There was a time when Aluminum was more valuable than gold!

Kids WASTE WATCHER™ 23 GALLON - 30" H

RECYCLING IS FOR KIDS!

What better way to involve eco-minded young people than with cool, engaging containers? Created with schools in mind, we've taken our popular Waste Watcher bins and made them brightly colored, clearly labeled and easy-to-maintain. Newly created characters on our signage help show what recyclables go where, and make the process fun!
