was more valuable than gold!

Boka 52 GALLON

SOPHISTICATED STYLING & PRACTICAL ELEGANCE

This modern indoor waste & recycling container combines functionality and flexibility with a remarkably sleek, high-end design. It has been designed with terminals, convention centers, shopping malls and other indoor environments that demand fire resistant containers in mind. The Boka is recycling redefined.

FEATURES:

- Equipped with triangle lock, hinged lid and pivoted bag frame
- Self-extinguishing bin - the shape of the lid directs the combustion gases, cuts off the oxygen supply and extinguishes the fire
- Gas shock assisted lid design

Customizable labels available
