FACT!**

Plastics require 100 to 400 years to break down in a landfill.

Concourse 45 GALLON

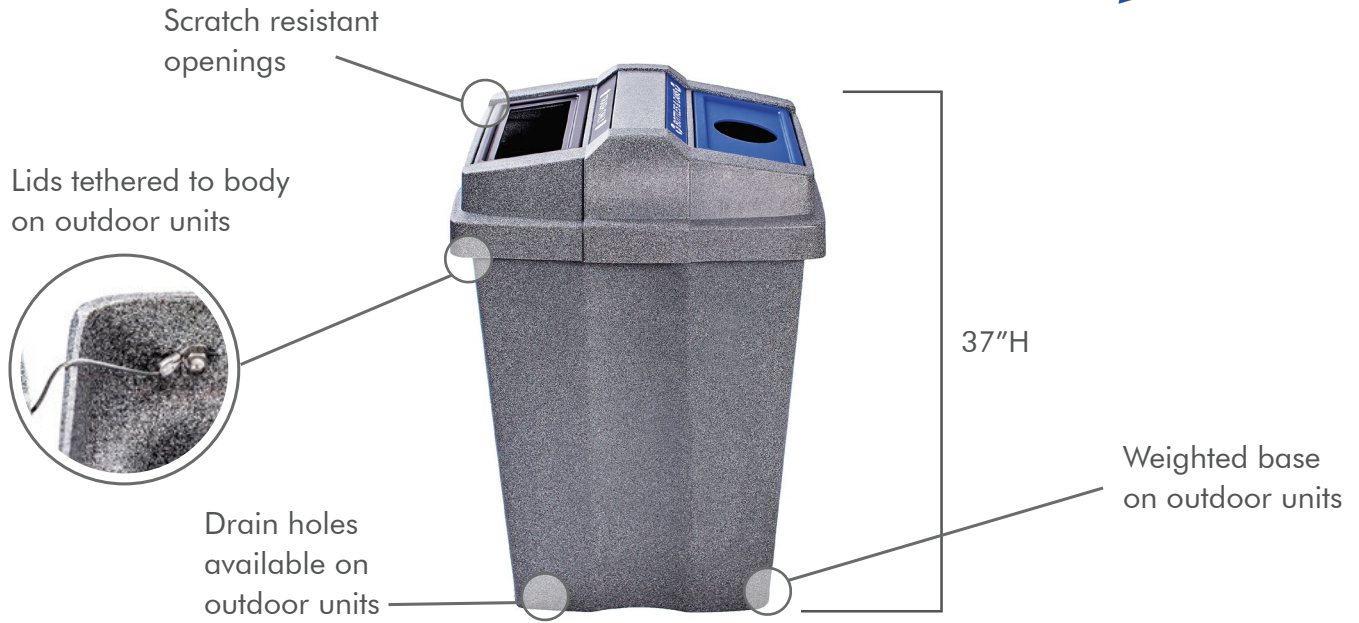

WHERE RECYCLING MEETS CONVENIENCE!

The high-volume, multi-stream recycling bin is a convenient solution for any high-traffic area. The Concourse is a cost-effective container that centralizes activity so your staff won't be changing collection bags every five minutes! Suitable for numerous collection atmospheres, the Concourse feels equally at home in a spacious atrium, expansive courtyard or high-end industrial building. When deciding on your next bin, it's the Concourse...of course!
