Uptown™ 32 | 64 | 96 GALLON

CHANGING THE FACE OF OUTDOOR RECYCLING

Ideal for high-traffic areas, this recycling station offers the best of the best when it comes to function and style. Rotationally molded for added durability. Built-in deflectors ensure a clean sort, preventing cross-contamination, while the angled surface of the unit directs rain water away from the front of the container. The Uptown is fully customizable, allowing you to create a unique unit that speaks directly to your recycling initiatives.
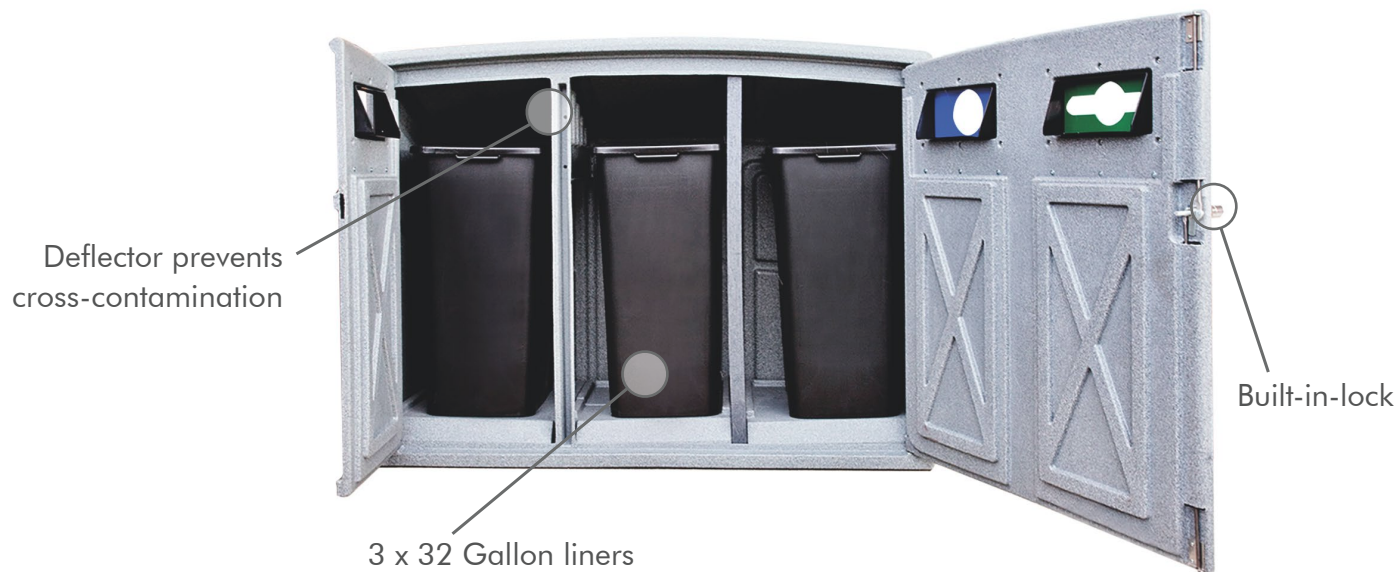

FEATURES:

- Highly durable and will not rust or dent
- Openings can be customized to fit your program
- Up to 3 easy to empty liners (32 gallons each)
- Built-in lock for added security
- Deflectors prevent cross-contamination and the slanted back prevents rainflow from entering unit
- Weighted base keeps unit stable and stationary

Optional labels available

Variety of lid openings & stamping options
